

Review of a family bike tour in the Amsterdam countryside

This was by far our favorite tour in The Netherlands.

All 4 of our children ages 20, 19, 17 and 13 felt this tour was perfect.

Edmond was unbelievably prepared and professional and customized the tour to our varied interests. The amount of preparation and effort was incredible.

The bike ride was fantastic through beautiful countryside and it was a true authentic introduction to the Dutch way of life. Edmond even packed us each our own lunch with bread made from the local wheat ground by the windmill. He is incredibly knowledgeable and we loved his exuberant and energetic company as well.

This was truly the perfect tour to get an authentic snapshot into Dutch living and the local countryside. I would recommend this to anyone!
