

Review - A bike tour in autumn.

Greetings Edmond!

It's hard to distil all of our thoughts about our tour with you into a few lines, but I wanted to say, and let others know, that we thoroughly enjoyed everything about our tour with you.

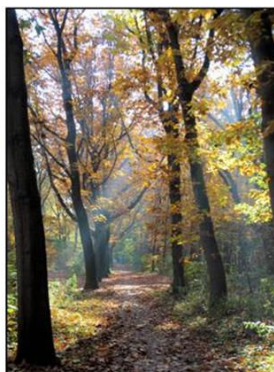

The flexible destinations of our day's excursion, the pace, and the opportunity to ask questions and take photos of incredible sights like castles, fortresses, and windmills made it an incredibly interesting day.

We would recommend anyone who has interest in the history, nature & landscape and culture of the Netherlands to take a tour with you. Your knowledge and discussion of the history of our destinations was fascinating.

Not only that, the generous lunch box with rolls made from flour from the windmill we visited, fruit, drinks, sandwiches, and cookies was delicious and lasted throughout a day of touring as we occasionally stopped for breaks. It's the thoughtful provision of the food, bike bags for gear, rain poncho and more that make a day's outing even more enjoyable, if that's possible.

Thanks again for a wonderful day and look for us again soon!

Sincerely,
Edward Lincoln and Lori Raymond, Vermont, USA
