

Exhilarating bike tour of the Dutch Countryside

This was the best thing that we did in our week in Amsterdam.

Edmond, our private tour guide was knowledgeable and friendly. He tailored the bike ride to our abilities. We saw pastures of sheep and cows, windmills and a castle.

We also toured Edmonds hometown and had lunch prepared by Edmond as we overlooked the mouth of the former Zuyder Sea.

All & all it was a fantastic day that we will cherish always. It was worth every penny and would have paid more.
